The Spruce Point Inn offers modern day travelers a chance to experience the simple, carefree elegance of a time gone by. Located just minutes from bustling Boothbay Harbor, the Inn covers 57 acres of a secluded peninsula that stretches into beautiful Linekin Bay. Distant foghorns sound in the morning mist and ocean breezes drift through fragrant stands of evergreens. Just off shore, lobster boats, windjammers and private yachts ply the cool Atlantic waters while guests relax by our saltwater or heated freshwater pools, play croquet, tennis, have a spa treatment or get lost in a book.
