

Accommodations:

The number of pet friendly rooms are limited so please make your reservations in advance by calling the Inn directly at 1-800-553-0289.

The stay is complimentary but there is a fee, if any damages are incurred.

Policy:

There are only a few rules that need to be observed when bringing your pet to stay with you at SPI as follows:

- *Please keep them on a leash for safety reasons while outside the building and please do not leave your pet alone for more than an hour and a half because they can get lonely and cry.
- *Potty bags are located at the entry to the Inn's trails and also by the ice machine.
- *Housekeepers will only clean the room if the room is empty.
- *Unless your pet is a service dog, they are not permitted in the Main Building, other than the lobby.

Have a wonderful stay!
